

BECAUSE  
**100%  
TOBACCO  
FREE**  
WE CARE

The Air.

*Beginning January 14,  
Bay Area Medical Center's  
campuses will be  
100% tobacco-free.*

“Tobacco use is the number one cause of preventable death and disease in the United States.”

“More Wisconsin residents die every year from disease directly caused by cigarette smoking than from AIDS, illegal drugs, alcohol, suicide and homicide combined.”
